Consent to Traction Electricity Rules change

Further to Network Rail Infrastructure Limited's (Network Rail) Proposed Rules Change in accordance with the provisions of paragraph 13.2 (A) of the Traction Electricity Rules, we consent to the following changes under paragraph 13.6:

- New entries for Class 318, Class 320/0 and Class 320/4 shall be inserted as set out in the Schedule to this notice in Appendix 2 of the Traction Electricity Rules; and
- New entries for Class 318, Class 320/0 and Class 320/4 shall be inserted as set out in the Schedule to this notice in Appendix 4 of the Traction Electricity Rules.

These changes shall take effect from 1 December 2017.

Ian Williams

Duly authorised by the Office of Rail and Road
