2 June 2014

## **Traction Electricity Rules – Appendix Amendment Notice**

This Appendix Amendment Notice is given under paragraph 17.6 of the Traction Electricity Rules.

Following a request from you, Network Rail Infrastructure Limited, and Southern Railway Limited, to amend Appendix 2 of the Traction Electricity Rules, the Office of Rail Regulation hereby consents to the following amendment to the Traction Electricity Rules:

- in Appendix 2, the entry for train category Class 377 shall be deleted and replaced with the entries set out in Schedule 1 to this notice.

This amendment shall have effect from 26 May 2014.

A copy of this notice will be sent to Southern Railway Limited.
