To: Chris Dellard @ Arriva Trains Wales
Subject: Consultation: Rail Services To Manchester Airport

Dear Mr Dellard,

We are aware that Network Rail are hosting a consultation regarding an application by Arriva Trains Wales to extend services between the north Wales coast and Manchester to serve Manchester Airport, and that the closing date is December 3rd.

As you know, Rhun sent a letter of support in March this year (copy attached), and wanted to let you know that we are still supportive. If there is anything further we can do to help, please let us know.

Yours sincerely,

Heledd Roberts
