The Office of Rail and Road gives notice in accordance with regulation 6(9) of the Regulations and section 8(4) of the Act that it proposes to grant the applicant a European passenger licence, a non-passenger licence, a station licence and a light maintenance depot licence.

The European passenger licence will authorise the applicant to provide train services for the purposes of the carriage of passengers within the European Economic Area, subject to all legal requirements being fulfilled by the applicant.

The non-passenger licence will authorise the applicant to be the operator of trains being used on a network otherwise than for the purpose of carrying passengers by railway, subject to all legal requirements being fulfilled by the applicant.

The station and light maintenance depot licences will authorise the applicant to operate stations and light maintenance depots in Great Britain, subject to all legal requirements being fulfilled by the applicant.

We propose to grant the licences on the grounds that the applicant has shown itself to be a fit and proper person.

Please send any comments on this proposal by 19 October 2016 to:
