The Office of Rail and Road gives notice in accordance with regulation 6(9) of the Regulations and section 8(4) of the Act that it proposes to grant the applicant a non-passenger licence, a station licence, a light maintenance depot licence and a European passenger licence plus a GB passenger Statement of National Regulatory Provisions, subject to all legal requirements being fulfilled by the applicant.

- The station licence will authorise the applicant to be the operator of railway stations.
- The light maintenance depot licence will authorise the applicant to be the operator of light maintenance depots.
- The non-passenger train licence will authorise the applicant to be the operator of trains being used on a network otherwise than for the purpose of carrying passengers by railway.
- The European passenger licence will authorise the applicant to provide train services for the purposes of the carriage of passengers within the European Economic Area, subject to all legal requirements being fulfilled by the applicant.

We propose to grant the licences on the grounds that the applicant has shown itself to be a fit and proper person.
