Dear Nigel

High Speed 1 – Network Statement Consultation

Thank you for your letter dated 11th January 2007 which responded to our consultation on the High Speed 1 Network Statement under the terms of the EU First Railway Package and in accordance with Regulation 11 of The Railways Infrastructure (Access and Management) Regulations 2005 (S.I. 2005/3049).

The consultation process has raised some interesting points which we would like to consider further before formally responding.

Thank you for your patience, I look forward to clarifying points raised in the near future.

If you have any further comments you would wish us to take into account in relation to our Network Statement, please submit your responses in writing to Business Manager NR (CTRL), The Old Cattle Market, Gasworks Lane, Ashford, Kent, TN23 1HS.

Yours sincerely

Chris Rayner
Director NR (CTRL)
