

Schedule 2 to the ORR notice of proposed modifications to licences/SNRPS dated 2 February 2006

ORR is proposing to make the following modifications to the licences and SNRPs set out in column [1-4] below:

1. The text of the licences and SNRPs set out in column [4] below, held by the companies set out in columns [1] and [2] below, will be replaced by the text of the model licences and model SNRPs referred to in column [5] below. The model licences and model SNRPs mentioned in column [5] were published on the ORR website at <http://www.rail-reg.gov.uk/server/show/nav.00100b001007> on 18 January 2006.
2. The company name (column [1]) and company number (column [2]) of the licence holder/SNRP holder will be inserted into the appropriate place in *Part 1 - Scope* of the new model licence/SNRP.
3. Where the licence was originally granted by the Secretary of State and it has not been transposed to an SNRP, references to the "Office of Rail Regulation" in *Part I - Scope* will be replaced with "the Secretary of State" and the first reference to "ORR" in *Part II - Interpretation* will be replaced with "the Office of Rail Regulation ("ORR")". In addition, for licences in which the Secretary of State currently retains revocation powers, references to "ORR" in *Part IV - Revocation* shall be replaced with references to "the Secretary of State", references to "the appropriate franchising authority" shall be replaced with references to "ORR" and the phrase "where the licence holder is a franchise operator" shall be removed, wherever appropriate. Licences granted by the Secretary of State are identified with the symbol § in column [3].
4. The dates on which the original licence was granted and came into force shall be inserted into *Part I – Scope* of the new model licence/SNRP where appropriate.
5. The details of any Station or Light Maintenance Depot (LMD) operated that are included in a licence listed in column [4] shall be inserted into the Schedule of the new model licence listed in column [5], including any additions or deletions previously made in accordance with the licence.
6. The further specific modifications listed in column [6] shall also be applied. In column [6], a reference to an "old" condition is a reference to a condition in the licence/SNRP listed in column [4].
