Consent not to publish a code of practice

We consent to Rail for London Ltd, as the holder of a statement of national regulatory provisions (SNRP) issued on 25 Oct 2007¹ *not* publishing a code of practice or other documents under paragraph 6 of condition 4 of the SNRP, because this is a dormant operator to be used only in the event that Transport for London needs to take over the operations of a franchised train operator.

This consent will expire in the event that this operator becomes active.
