Dear Sue and Carl

Light Rail Safety and Standards Board Review

This is to acknowledge the request made by LRSSB Directors for ORR to conduct a review of the LRSSB in a number of areas which you outlined in your letter of the 28th May 2021.

We have had an initial discussion to set up a small internal LRSSB Review (LRSSBR) Project Team to undertake this exercise. Sukhninder Mahi, Manager, Policy and Strategy, Railway Safety at ORR will be the project manager for the review. She will be in touch with you to confirm details about the rest of the review team and share the Terms of Reference for your comments. We will also develop and share a timeline for the review with you. In the meantime, please do get in touch with Sukhninder (sukhninder.mahi@orr.gov.uk) if you have any questions.

Yours sincerely,
