Dear Jane,

Northern Ireland Railways Company Limited (NIR): Network Statement 2025

I am writing to conclude ORR's review of NIR's 2025 network statement, as required of us under The Railways Infrastructure (Access, Management and Licensing of Railway Undertakings) Regulations (Northern Ireland) 2016 ("the Regulations").

We received your provisional 2025 network statement on 20 November 2023 and responded with our comments, which were relatively minor, in December. You responded to these, making changes, and published the final version at the end of January 2024.

We consider that you do not need to change this edition further and, once again, we appreciate your continued positive engagement on network statements.

In line with our commitment to transparency, we will publish this letter on our website at: <https://www.orr.gov.uk/guidance-compliance/rail/network-statements>.

I am copying this letter to John Glass and Ciaran Moore.

Yours sincerely,

A handwritten signature in blue ink that reads 'Les Waters'.
