Dear Jayne and Rob

Approval of the 60th supplemental agreement to the track access contract between Network Rail Infrastructure Limited and First Greater Western Limited dated 4 March 2016

We have today approved the above supplemental agreement submitted to us formally on 10 November 2020 under section 22 of the Railways Act 1993 (the Act). This follows an earlier informal submission of a draft agreement for our consideration. This letter explains the reasons for our decision.

Purpose

The purpose of this agreement is to grant First Greater Western the rights necessary to operate its proposed December 2020 timetable. These additional and amended services will facilitate the enhanced high-speed Paignton and Newquay branch services and the new Cardiff Central to Bristol Parkway service, and update the calling patterns in table 4.1. The rights are to commence on the Principal Change Date 2020 and will expire on the Expiry Date or earlier termination of First Greater Western's track access contract.

Industry consultation

Network Rail undertook the usual industry consultation. Comments in support were received from Transport Focus, while Cross Country Trains raised some performance-related queries which Network Rail answered to their satisfaction.

ORR review

Our review of the application raised operational and performance queries, which Network Rail resolved to our satisfaction. No economic concerns were identified.

Our duties under section 4 of the Act and our decision

We have concluded that approval of this supplemental agreement strikes the appropriate balance in discharging our statutory duties under section 4 of the Act; in particular, those relating to protecting the interests of users of railway services (section 4(1)(a)), promoting the use of the railway network for the carriage of passengers (section 4(1)(b)) and enabling persons providing railway services to plan their businesses with a reasonable degree of assurance (section 4(1)(g)).

Conformed copy of the track access agreement

Under clause 18.2.4 of the track access contract, Network Rail is required to produce a conformed copy, within 28 days of any amendment being made, and send copies to ORR and the Train Operator. Please send the conformed copy to me at ORR.

Public register and administration

Electronic copies of this letter, the approval notice and the agreement will be sent to Keith Merritt at Department for Transport. Copies of the approval notice and the agreement will be placed on ORR's public register (website) and copies of this letter and the agreement will be placed on the ORR website. I am also copying this letter without enclosures to Peter Craig at Network Rail.

Yours sincerely
