12 February 2021

Dear Jules and Luke,

**CONSENT TO SUPPLEMENT THE CP6 TRACK USAGE PRICE LIST – CLASS 88/0
LOCOMOTIVE DOMESTIC AUTOMOTIVE COMMODITY CATEGORY**

1. The Office of Rail and Road has today issued a Notice of Consent to Supplement the Track Usage Price List, as submitted to us by Direct Rail Services Limited and Network Rail Infrastructure Limited on 4 February 2021 under paragraph 2.2.7 of Schedule 7 of the track access contract between the parties. This letter sets out the reasons for our decision.

Purpose of the change

2. The purpose of the Supplements is to amend the Variable Usage Charge (VUC) rates section of the Track Usage Price List, for the purpose of the track access contract, to include class 88/0 locomotives in the domestic automotive group.

ORR review

3. These vehicles are not on the CP6 pricelist for the commodities concerned. The new CP6 VUC rates have been agreed between the parties using data from various appropriate sources and calculated using the CP6 VUC calculator.

4. These amendments shall have retrospective effect from **either** the first date these vehicles were used on the network **or** 1 April 2019, **whichever date is later**.

Yours sincerely

S Jones
