Dear Ella and Daniel,

### **CONSENT TO SUPPLEMENT THE CP6 TRACK USAGE PRICE LIST: JNAU Wagons**

The Office of Rail and Road has issued a Notice of Consent to Supplement the Track Usage Price List, as submitted to us by GB Railfreight Limited and Network Rail Infrastructure Limited on 28 March 2024 under Schedule 7 of the track access contract between the parties. This letter sets out the reasons for our decision.

#### **Purpose of the change**

The purpose of the Supplement is to amend the Variable Usage Charge (VUC) rates section of the Track Usage Price List, for the purpose of the track access contract, to include new rates for JNAU Wagons carrying Steel.

#### **ORR review**

The VUC rates have been agreed between the parties using data from the wagon manufacturer and calculated using the CP6 VUC calculator. Due to an issue identified with the operating weights in TOPS the parties agreed to new weights based on an average of recent customer releases.

These amendments shall have retrospective effect from **either** the first date these vehicles were used on the network **or** 1 April 2019, **whichever date is later**.

Yours sincerely

Ryan Holt
