Dear Ella and Daniel,

CONSENT TO SUPPLEMENT THE CP7 TRACK USAGE PRICE LIST: MULTIPLE WAGON TYPES

The Office of Rail and Road has issued a Notice of Consent to Supplement the Track Usage Price List, as submitted to us by GB Railfreight Limited and Network Rail Infrastructure Limited on 9 July 2024 under Schedule 7 of the track access contract between the parties. This letter sets out the reasons for our decision.

Purpose of the change

The purpose of the Supplement is to amend the Variable Usage Charge (VUC) rates section of the Track Usage Price List, for the purpose of the track access contract, to include rates for multiple wagon types carrying Industrial Minerals.

ORR review

The VUC rates have been agreed between the parties using data from the wagon manufacturer and calculated using the CP7 VUC calculator.

These amendments shall have retrospective effect from **either** the first date these vehicles were used on the network **or** 1 April 2024, **whichever date is later**.

Yours sincerely

Margret Haswell
