**RE: Freightliner Limited Proposed 22<sup>nd</sup> Supplemental Agreement**  
Response to Final Network Rail Representations

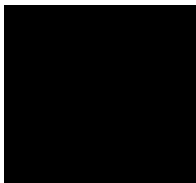

Dear Margret,

Thank you for providing the opportunity to comment on Network Rail's Final Representations to Freightliner Limited's 22<sup>nd</sup> Supplemental Agreement, updating Rights held between Southampton and Leeds, a continuation of Freightliner's 18<sup>th</sup> SA which was underway through Section 22 at the point the 'Complex and Competing Applications' process commenced.

Freightliner is pleased to see that Network Rail are now prepared to accept all amendments included in this SA, with one minor amendment to an arrival window at Southampton which Freightliner can also support.

Given Network Rail's support for this application, Freightliner do not believe any further comments are required.

Yours Sincerely

Chris Matthews  
Head of Planning (Long Term)
