RE: Freightliner Heavy Haul Ltd Proposed 26th Supplemental Agreement
Response to Final Network Rail Representations

Dear Margret,

Thank you for providing the opportunity to comment on Network Rail's Final Representations to Freightliner Heavy Haul Ltd's 26th Supplemental Agreement, covering additions and amendments to aggregates services primarily from the Peak District.

Freightliner is pleased that Network Rail are now prepared to support much of this application, and can confirm the amendments proposed by Network Rail are agreeable. Similarly, as a result of changes in flows since the initial application, Freightliner are content to withdraw those Rights which Network Rail will not support.

Yours Sincerely

Chris Matthews
Head of Planning (Long Term)
