Re: SUPPORTING INFORMATION-LETTER FROM ALSTOM SEPTEMBER 4, 2025

Dear Mr. Jones

I am writing in order to clarify certain statements made by Alstom by letter dated 4th September 2025 addressed to you, which may have led to some misunderstanding.

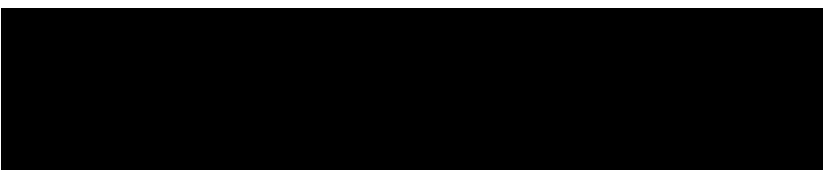

In such letter, Alstom reaffirms its *"exclusive partnership"* with VTE HOLDINGS LIMITED (VTE) and claims that *"is not currently engaged in discussions to supply rolling stock to any of **Evolyn**, Gemini or Trenitalia France"*.

Regardless of whether there is or not an exclusivity arrangement between Alstom and VTE, which we are not aware of, what we can confirm is that Evolyn and ALSTOM TRANSPORTE S.A.U. continue to hold discussions.

The confusion is probably due to the fact that (i) Evolyn's commercial and business relationship is with the Spanish ALSTOM TRANSPORTE S.A.U. (not with Alstom UK) and (ii) the Alstom rolling stock selected by Evolyn for this project is Avelia Horizon double-decker (not Avelia Stream).

We believe it is important to clarify this matter to ensure full transparency and accuracy.

Yours sincerely,
