RE: Freightliner Limited Proposed 25th Supplemental Agreement
Response to Final Network Rail Representations

Dear Margret,

Thank you for providing the opportunity to comment on Network Rail's Final Representations to Freightliner Limited's 25th Supplemental Agreement, covering amendments to access rights under the 'Complex and Competing Applications' process.

I can confirm Freightliner are content to accept the changes Network Rail have proposed to the Schedule 5 Rights table at this point, with a view to ensuring both parties are aligned in relation to this application. Freightliner will work with Network Rail through future Supplemental Agreements to make further changes to the Rights table where appropriate.

Yours Sincerely

Chris Matthews
