Dear Jules and Quentin,

CONSENT TO SUPPLEMENT THE CP7 TRACK USAGE PRICE LIST: FOAA Wagon Type

The Office of Rail and Road has issued a Notice of Consent to Supplement the Track Usage Price List, as submitted to us by DB Cargo (UK) Limited, (DB Cargo) and Network Rail Infrastructure Limited on 19 December 2025 under Schedule 7 of the track access contract between the parties. This letter sets out the reasons for our decision.

Purpose of the change

The purpose of the Supplement is to amend the Variable Usage Charge (VUC) rates section of the Track Usage Price List, for the purpose of the track access contract, to include rates for FOAA wagon type.

ORR review

The VUC rates have been agreed between the parties using journey data provided by DB Cargo and calculated using the CP7 VUC calculator.

These amendments shall have retrospective effect from either the first date these vehicles were used on the network or 1 April 2024, whichever date is later.

Yours sincerely

Edd Marston
