We give notice in accordance with section 7 (4) of the Railways Act 1993 that we propose to grant a licence exemption, subject to any conditions set by us, to:

St Rollox Works Limited

Company Registration Number:

SC801283

Registered Address:

200 St. Vincent Street
Glasgow
Scotland
G2 5SG

We propose the exemption will apply to:

(a) **the light maintenance depot located at Springburn Rail Depot, 79 Charles Street, Springburn, Glasgow, G21 2PS; and**

(b) **any train being used on the network within this depot.**

We propose to grant a licence exemption on the grounds that the operations are of a type of activity for which it is not necessary to bind the operator into standard industry arrangements.

Please send any comments, preferably by email, on this proposal by 10 December 2026 to:
