

DRAFT

6. . Article 15 states that the service provider may then decide to resume operations in the facility, in a way that satisfies the railway undertaking's demonstrated needs.
6. . here the service provider is required to offer the operation of the facility for lease, a notice of the offer (including all necessary information) must be published on the website and sent to the relevant infrastructure manager and ORR. The notice must in particular include details of the selection procedure²⁶, selection criteria, the main characteristics of the technical equipment of the service facility and the address and time limit for the submission of tenders²⁷
- 6.9. The Implementing Regulation also sets out some specific requirements which will apply where an expression of interest is received where the owner of the facility is not also the service provider²⁸.
