**DIRECTORS' REPORT**

The directors present their annual report and the audited financial statements for the 52 week period ended 8 January 2011

**PRINCIPAL ACTIVITIES**

In 2003 Merseyrail were awarded a 25-year concession to provide rail services on behalf of Merseytravel, the Merseyside PTE. This singled out Merseyrail amongst other Train Operating Companies (TOCs), where average length contracts are between 7-10 years. For this reason, Merseyrail are now in the enviable position of being able to take a long-term perspective on the investment and development of rail passenger services. We strive to exceed the expectations of not only the people of Merseyside, but also the wider public transport community. This is in line with the philosophy of its two 50 per cent shareholders Serco Group plc and Abellio (formerly known as NedRailways)

Merseyrail is an urban network of vital importance to the transport infrastructure of Liverpool and Merseyside and is one of the most intensively used networks in the UK, with over 800 train services daily (Monday to Saturday), with a reduced service of 350 train services on Sundays. There are approximately 110,000 passenger journeys each weekday, with 37 million passenger journeys per annum. Around 50% of passengers are daily users.

The business operates 75 route miles in the Merseyside area bisected by the river Mersey. The network has 67 stations, 66 of which are managed by Merseyrail, with terminal stations at Southport, Ormskirk, Kirkby and Hunts Cross to the North and New Brighton, West Kirby, Chester, and Ellesmere Port on the Wirral side of the river. The network also includes 6.5 miles of underground track and 5 underground stations.

The business operates with a fleet of 59 class 507/508 electric trains which underwent an extensive refurbishment in 2004. This included improved seating, advanced passenger information systems and on board CCTV security cameras.

**BUSINESS REVIEW**

The directors are satisfied with the performance of the company during the period. Turnover was £126,264,000, which was an increase of 1.46% on the previous period (2010 £124,453,000).

Profit on ordinary activities after tax was £7,613,000 an increase of 4.8% on 2010 (2010 £7,264,000).

Throughout 2011 the Moving Annual Average (MAA) for punctuality continued to reach new highs with 7 of 13 periods exceeding 96% Public Performance Measure (PPM). This resulted in Merseyrail being the best performing Train Operating Company (TOC) for 2011 with an end of year MAA of 95.3%.

During the year Merseyrail retained its 100% Secure Station and Car Park accreditation from the Department of Transport (DfT) that we gained in 2010.

Merseyrail have also recently attained Investors in Excellence accreditation, granted by North of England Excellence. This confirms that we have reached the European Foundation for Quality Management standard in 31 areas covering Leadership, Change Management, People Management, Processes and Strategy Development.

Merseyrail believe it is important to contribute to the improvement and well being of Merseyside's environment and community. We were therefore very proud to win the Work Inspiration Award at the Business in the Community North West Regional Awards for its Business Class Partnership with Archbishop Beck Catholic Sports College in Walton Vale. As part of our commitment to our community Merseyrail also support a local charity each year. This year's charity was Woodlands Hospice and we were delighted to be able to raise £100,000 through the involvement of staff and stakeholders in fundraising events throughout the year.

Merseyrail continue to be leading TOC on delivery of the National Station Improvement Programme (NSIP) schemes, a Department for Transport scheme. During 2011 we completed works at our station at Waterloo including a further M-to-go retail outlet.

Merseyrail also received a £1,000,000 grant from Cycling England, funded by the Department of Transport for the building of cycle facilities on our Network. During the year we opened facilities at 18 stations providing 700 secure cycle points. The flagship location at Southport was opened in August 2010 by Chris Boardman CBE, Olympic Cycle gold medallist.

From a customer perspective we have reached a National Passenger Survey (NPS) overall satisfaction score of 93%, the highest in the industry (NPS survey autumn 2010).

**DIRECTORS' REPORT (continued)**

**BUSINESS REVIEW (continued)**

In the period ended 8th January 2011 the company has invested £1,737,000 in capital improvements across the network to enhance our station and staff facilities

At the period end the cash balance stood at over £11,299,000 (2010 £8,331,000) with a further £2,000,000 on short term investment. The liquidity position has remained strong through the period

**OUTLOOK**

Throughout the coming months Merseyrail will continue, in partnership with Merseytravel, and others, to make improvements to the network and service, to enable the challenges of the coming year to be met. Capital expenditure is expected to be in line with previous periods. Third party funding will be used for further refurbishments at Liverpool Central Station which is our busiest station for passenger numbers

**PRINCIPAL RISKS AND UNCERTAINTIES**

The 25 year concession means that the business has certainty and is therefore able to take a long-term view on investment. There are no rail competitors running over the same routes. In common with most train operators the main competitor to the business is the car, taxis and bus operators. To mitigate the risks from these pressures, Merseyrail are working with local and national bodies to ensure that services are provided that meet or exceed the requirements of our stakeholders. The long term nature of the contract means that Merseyrail are able to invest in improvements to the network that are beneficial and attractive to stakeholders

The economic climate in the region has impacted on Merseyrail. There is a higher degree of uncertainty around patronage, and the leadership team within Merseyrail are focused on close monitoring of all relevant KPIs to ensure any required remedial action in response to the emerging conditions is taken

**GOING CONCERN**

The nature of the Merseyrail Concession Agreement with Merseytravel provides a significant subsidy payment. Given the frequency of contract payments, combined with a network where Merseyrail are the sole operator and having reviewed the budgets and forecasts for a 12 month period from the date of signing the financial statements, the directors are confident that the business will continue to be cash generative. The Directors believe this will be achieved without the need for third party funding in the foreseeable future, despite the current economic uncertainty. Thorough cash management processes are followed. Accordingly, the directors have a reasonable expectation that the company has adequate resources to continue in operational existence for its foreseeable future. Thus they continue to adopt the going concern basis of accounting in preparing the annual financial statements

**DIVIDENDS AND TRANSFERS TO RESERVES**

The profit for the period after taxation was £7,613,000 (2010 £7,264,000)

A dividend of £7,252,000 for the period has been paid (2010 £6,859,000)

**DIRECTORS' REPORT (continued)**

**DIRECTORS**

The directors who served during this period and thereafter are listed below

Andrew Heath  
Kevin Thomas  
Dominic Booth  
Peter Morton  
Bartholomeus Schmeink  
Alan Wilson (resigned 31 March 2010)  
Matt Brown (appointed 1 March 2010)  
David Temple (resigned 1 March 2010)  
Lesley Batty  
Jeroen Weimar (appointed 31 March 2010)

**CHARITABLE CONTRIBUTIONS**

During the period, the company made charitable donations and sponsorship payments of £96,337 (2010 £147,485) principally to local charities and groups serving the communities in which the company operates

**EMPLOYEE INVOLVEMENT AND DISABLED EMPLOYEES**

The company gives full and fair consideration to applications for employment from disabled people having regards to their particular aptitudes and abilities. Efforts are made to continue the employment of those who become disabled during their employment, and training, career development and promotion is, as far as possible, identical for all employees in accordance with their skills and abilities

The company also has a policy of communicating and consulting with its managers and employees to ensure their active involvement

**AUDITOR**

Deloitte are deemed to be re-appointed under section 487(2) of the Companies Act 2006

**STATEMENT OF DISCLOSURE TO THE AUDITOR**

Each of the persons who is a director at the date of approval of this report confirms that

- a) so far as each director is aware there is no relevant audit information of which the company's auditor is unaware, and
- b) the director has taken all the steps that he/she ought to have taken as a director in order to make himself/herself aware of any relevant audit information and to establish that the company's auditor is aware of that information

This confirmation is given and should be interpreted in accordance with the provisions of s 418 of the Companies Act 2006

Approved by the Board of Directors  
and signed on behalf of the Board

## DIRECTORS' RESPONSIBILITIES STATEMENT

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgments and accounting estimates that are reasonable and prudent,
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements, and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

## **INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF MERSEYRAIL ELECTRICS 2002 LIMITED**

We have audited the financial statements of Merseyrail Electrics 2002 Limited for the 52 week period ended 8 January 2011 which comprise the Profit and Loss Account, the Statement of Total Recognised Gains and Losses, the Balance Sheet, and the related notes 1 to 24. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice)

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

### **Respective responsibilities of directors and auditor**

As explained more fully in the Directors' Responsibilities Statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

### **Scope of the audit of the financial statements**

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed, the reasonableness of significant accounting estimates made by the directors, and the overall presentation of the financial statements.

### **Opinion on financial statements**

In our opinion the financial statements

- give a true and fair view of the state of the company's affairs as at 8 January 2011 and of its profit for the period then ended,
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, and
- have been prepared in accordance with the requirements of the Companies Act 2006.

### **Opinion on other matter prescribed by the Companies Act 2006**

In our opinion the information given in the Directors' Report for the financial period for which the financial statements are prepared is consistent with the financial statements.

### **Matters on which we are required to report by exception**

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us, or
- the financial statements are not in agreement with the accounting records and returns, or
- certain disclosures of directors' remuneration specified by law are not made, or
- we have not received all the information and explanations we require for our audit.

The financial statements of Merseyrail Electrics 2002 Limited, company number 4356933 were approved by the Board of Directors on 2<sup>nd</sup> March 2011

Signed on behalf of the Board of Directors

Peter Morton

Director

**NOTES TO THE ACCOUNTS**  
**52 weeks ended 8 January 2011**

**1 ACCOUNTING POLICIES**

The principal accounting policies are summarised below. They have been applied consistently throughout the current and previous period.

**Basis of preparation**

The financial statements are prepared under the historical cost convention in accordance with applicable law and United Kingdom accounting standards.

**Going concern**

The nature of the Merseyrail Concession Agreement with Merseytravel provides a significant subsidy payment. Given the frequency of contract payments, combined with a network where Merseyrail are the sole operator and having reviewed the budgets and forecasts for a 12 month period from the date of signing the financial statements, the directors are confident that the business will continue to be cash generative. The directors believe this will be achieved without the need for third party funding in the foreseeable future. Accordingly, the directors have a reasonable expectation that the company has adequate resources to continue in operational existence for its foreseeable future. Thus they continue to adopt the going concern basis of accounting in preparing the annual financial statements.

**Turnover**

Passenger income is included in turnover.

Concession payments relate to amounts received from Merseyside Passenger Transport Executive (MPTE) under the Concession Agreement to operate Merseyrail trains. Other turnover arises from the provision of ancillary services to external parties.

All turnover is recognised at the point at which the service is provided.

**Goodwill and intangible fixed assets**

For acquisition of a business, purchased goodwill is capitalised in the year in which it arises and amortised over its estimated useful life of 25 years. The directors regard 25 years as a reasonable maximum for the estimated useful life of goodwill since it coincides with the life of the rail concession (25 years) and also it is difficult to make projections exceeding this period.

Other intangible fixed assets are capitalised in the year they are incurred and amortised over their useful economic lives. The concession costs incurred in the period ended 3 January 2004 (shown in note 10) are amortised over the life of the concession (25 years).

**Tangible fixed assets and depreciation**

Tangible fixed assets are stated at cost, net of depreciation and any provision for impairment.

Depreciation is provided at rates calculated to write off the cost of each asset on a straight line basis over its estimated useful life at the following annual rate:

Leasehold buildings	2% - 10% per annum
Plant and machinery, motor vehicles and fixtures and fittings	4% - 33% per annum

No depreciation is provided on land or assets under construction.

**Taxation**

Current taxation is provided at the amounts expected to be paid (or recovered) using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

Deferred taxation is provided in full on timing differences that result in an obligation at the balance sheet date to pay more tax, or a right to pay less tax, at a future date, at rates expected to apply when they crystallise based on current tax rates and law. Timing differences arise from the inclusion of items of income and expenditure in taxation computations in periods different from those in which they are included in the financial statements. Deferred tax assets are recognised to the extent that it is regarded as more likely than not that they will be recovered. Deferred tax assets and liabilities are not discounted.

**NOTES TO THE ACCOUNTS (continued)**  
**52 weeks ended 8 January 2011****1. ACCOUNTING POLICIES (continued)****Leases**

Assets held under finance leases and the related lease obligations are recorded in the balance sheet at the fair value of the leased assets at the inception of the leases. The excess of the lease payments over the recorded lease obligations are treated as finance charges which are amortised over the lease term. Rental costs under operating leases are charged to profit and loss account in equal amounts over the periods of the leases.

**Grants**

Capital grants and other contributions received towards the cost of tangible fixed assets are included as deferred income in the balance sheet and credited to the profit and loss account over the life of the asset. Revenue grants are credited to the profit and loss account to match off with the expenditure to which they relate.

**Stocks**

Stock is stated at the lower of cost and net realisable value. Cost includes materials and consumable goods. Provision is made for obsolete, slow-moving and defective items where appropriate.

**Current asset investments**

Investments held as current assets are stated at the lower of cost and market value at the balance sheet date.

**Finance costs**

Finance costs of financial liabilities are recognised in the profit and loss account over the term of such instruments at a constant rate on the carrying amount.

**Bank borrowings**

Interest-bearing bank loans and overdrafts are recorded at the proceeds received, net of direct issue costs. Finance charges, including premiums payable on settlement or redemption and direct issue costs, are accounted for on an accruals basis in the profit or loss account using the effective interest method and are added to the carrying amount of the instrument to the extent that they are not settled in the period in which they arise.

**Pension costs**

Pension costs are accounted for in accordance with Financial Reporting Standard 17 "Retirement Benefits". For the defined benefit pension scheme, the amounts charged to operating profit are the current service costs and gains and losses on settlements and curtailments. They are included as part of staff costs. Past service costs are recognised immediately in the profit and loss account if the benefits have vested. If the benefits have not vested immediately, the costs are recognised over the period until vesting occurs. The interest cost and the expected return on assets are shown as a net amount of other financial costs or credits adjacent to interest. Actuarial gains and losses are recognised immediately in the statement of total recognised gains and losses.

The deficit reflected in the balance sheet reflects only that portion of the deficit that is expected to be funded over the franchise term, net of deferred tax. A "franchise adjustment" is made to the deficit on this basis. The franchise adjustment is the projected deficit at the end of the franchise term, which the company will not be required to fund, discounted back to present value.

The defined benefit pension scheme is funded, with the assets held separately from those of the company, in separate trustee administered funds. Pension scheme assets are measured at bid value and liabilities are measured on an actuarial basis using the projected unit method and discounted at a rate equivalent to the current rate of return on a high quality corporate bond of equivalent currency and term to the scheme liabilities. The actuarial valuations are obtained at least triennially and are updated at each balance sheet date. The resulting defined benefit asset or liability, net of the related deferred tax, is presented separately after other net assets on the face of the balance sheet.

**NOTES TO THE ACCOUNTS (continued)**  
**52 weeks ended 8 January 2011**

**1. ACCOUNTING POLICIES (continued)**

**Cash flow statement**

The company is exempt under Financial Reporting Standard 1 from including a Cash flow Statement in its accounts as it is a wholly owned subsidiary of Merseyrail Services Holding Company Limited, a company incorporated in the United Kingdom, which has included a Consolidated Cash flow Statement in its financial statements

**2. TURNOVER**

All turnover originates in the United Kingdom and derives from passenger income and other services

**3. OPERATING PROFIT**

	<b>52 weeks ended 8 January 2011 £'000</b>	<b>53 weeks ended 9 January 2010 £'000</b>
Operating profit is stated after charging:		
Loss on disposal of fixed asset	1	2
Depreciation and amortisation		
- intangible fixed assets	156	154
- tangible fixed assets	1,152	1,117
Operating lease rentals		
- plant and machinery	11,916	11,640
- access charges payable to Network Rail	10,613	13,814
- land and buildings	5,665	6,418
	<u>53</u>	<u>51</u>
The analysis of auditors' remuneration is as follows		
Fees payable to the company's auditors for the audit of the company's annual accounts	50	49
Fees payable to the company's auditors and their associates for other services to the group		
- the audit of the financial statements pursuant to legislation	3	2
	<u>53</u>	<u>51</u>

There were no non-audit services provided during the period (2010 same)

**4. EXCEPTIONAL COSTS**

In the prior year, there was an ongoing dispute within the industry between several Train Operating Companies ('TOCs') and the British Transport Police Association (BTPA) regarding the charging methodology for their Transport Police Services. The principal issue related to changes in the charging basis introduced by the BTPA with effect from 1 April 2007, which were being disputed by a number of TOCs on the basis that the changes were unlawfully implemented. The dispute was settled on the 12 March 2010, which resulted in the company making a payment of £1,327,004 to the BTPA in settlement of prior period Transport Police services.

**NOTES TO THE ACCOUNTS (continued)**  
**52 weeks ended 8 January 2011**

	<u>115</u>	<u>18</u>
<b>Total tax on profit on ordinary activities</b>	<u>(3,009)</u>	<u>(2,832)</u>

**NOTES TO THE ACCOUNTS (continued)**  
**52 weeks ended 8 January 2011**

**8. TAX ON PROFIT ON ORDINARY ACTIVITIES (continued)**

The current corporation tax charge on profit on ordinary activities is higher (2010 higher) than that resulting from applying the standard rate of corporation tax in the UK of 28% (2010 28%) The differences are explained below

	<b>52 weeks ended 8 January 2011 £'000</b>	<b>53 weeks ended 9 January 2010 £'000</b>
Profit on ordinary activities before tax	10,622	10,096
Tax on profit on ordinary activities at standard UK corporation tax rate of 28% (2010 28%)	(2,974)	(2,827)
Effects of		
Expenses not deductible for tax purposes	(194)	(143)
Short term timing differences	(7)	3
Depreciation in excess of capital allowances	(13)	(22)
Adjustment in respect of prior period	77	47
<b>Current tax charge for the period</b>	<b>(3,111)</b>	<b>(2,942)</b>
<b>Movement on deferred taxation balance in the period:</b>		
	<b>52 weeks ended 8 January 2011 £'000</b>	<b>53 weeks ended 9 January 2010 £'000</b>
Opening asset/(liability)	97	5
Prior year adjustment	(31)	72
Current year movement	18	20
Closing asset	84	97
<b>Analysis of deferred tax balance:</b>		
	<b>8 January 2011 £'000</b>	<b>9 January 2010 £'000</b>
Capital allowances in excess of depreciation	12	30
Short term timing difference	72	67
Deferred tax asset	84	97

Recoverability of the above deferred tax asset is dependent upon future taxable profits

The company trades profitably and therefore it is considered more likely than not that there will be sufficient future trading profits against which the timing differences giving rise to the deferred tax asset will reverse

NOTES TO THE ACCOUNTS (continued)  
52 weeks ended 8 January 2011

9. EQUITY DIVIDENDS

	52 weeks ended 8 January 2011 £'000	53 weeks ended 9 January 2010 £'000
Equity dividends paid of £3,626,000 per share (2010 £3,429,500)	7,252	6,859

Loans are repayable as follows		
Within one year	151	151
Within two to five years	606	606
After five years	896	1,048
	<u>1,653</u>	<u>1,805</u>

Bank loans are secured on the assets to which they relate

The bank loans bear interest at a fixed rate of 6.6945%

17 CALLED-UP SHARE CAPITAL

	8 January 2011 £	9 January 2010 £
<b>Called-up, allotted and fully paid</b>		
2 ordinary shares of £1 each	<u>2</u>	<u>2</u>

18. RESERVES

	Profit and loss account £'000
As at 9 January 2010	2,133
Profit for the financial period	7,613
Dividends paid (see note 9)	(7,252)
Actuarial gains and losses (net)	(350)
As at 8 January 2011	<u>2,144</u>

**NOTES TO THE ACCOUNTS (continued)**  
**52 weeks ended 8 January 2011**

**19. RECONCILIATION OF MOVEMENTS IN SHAREHOLDER'S FUNDS**

	52 weeks ended 8 January 2011 £'000	53 weeks ended 9 January 2010 £'000
Profit for the financial period	7,613	7,264
Dividends paid (see note 9)	(7,252)	(6,859)
Other recognised gains and losses relating to the period (net)	(350)	(629)
Net addition to/(reduction) in shareholder's funds	11	(224)
Opening shareholder's funds	2,133	2,357
Closing shareholder's funds	2,144	2,133

**20. PENSION ARRANGEMENTS**

**Pension commitments**

The company operates a Section of the Railways Pension Scheme ("the Section") This provides benefits for employees based on final pensionable pay The members are expected to meet 40% of the cost of the emerging benefits The employer made contributions of £2,956,000 in the period (2010 £2,754,000) The expected employer contributions for the next financial period are estimated at £3,300,000

On 8 July 2010, the UK Minister for Pensions announced the Government's intention to move to using the Consumer Prices Index (CPI) rather than the Retail Prices Index (RPI) as the inflation measure for determining the pension increases to be applied to the statutory index-linked features of retirement benefits The Rules of the Section refer directly to the relevant legislation, rather than RPI inflation, in respect of increases to deferred pensions and pensions in payment The Company has therefore allowed for increases to pensions in payment and deferment in line CPI inflation

A CPI inflation of 2.9% p a has been assumed at 8 January 2011 This has been set by making a deduction of 0.5% p a to the RPI inflation assumption

**Actuarial Assumptions**

The full actuarial valuation at 31 December 2007 was updated to 8 January 2011 and 9 January 2010 by a qualified actuary, using the following assumptions in relation to future experience

	8 January 2011	9 January 2010	3 January 2009
Discount rate	5.30%	5.70%	6.40%
Rate of increase in salaries	3.90%	4.00%	3.15%
Rate of increase in deferred pensions	2.90%	3.50%	2.65%
Rate of increase in pensions in payment	2.90%	3.50%	2.65%
Inflation assumption	3.40%	3.50%	2.65%
Long term rate of return expected	6.36%	6.74%	6.36%

In addition to the above rates of increase in salaries, a scale of promotional salary increases is assumed

**NOTES TO THE ACCOUNTS (continued)**  
**52 weeks ended 8 January 2011**

**20. PENSION ARRANGEMENTS (continued)**

The mortality assumptions used were

		8 January 2011	9 January 2010
	Pension under £8,500 pa or pensionable pay under £30,000 pa		
Male aged 65 (current life expectancy)	Others	19 8	19 8
		21 5	21 5
	Pension under £8,500 pa or pensionable pay under £30,000 pa		
Male aged 45 (life expectancy at age 65)	Others	22 2	22 2
		23 7	23 7
	Pension under £8,500 pa or pensionable pay under £30,000 pa		
Female aged 65 (current life expectancy)	Others	21 7	21 7
		22 7	22 7
	Pension under £8,500 pa or pensionable pay under £30,000 pa		
Female aged 45 (life expectancy at age 65)	Others	23 2	23 2
		24 2	24 2

The net liability of the group is summarised as follows

	8 January 2011 Value £'000	9 January 2010 Value £'000	3 January 2009 Value £'000	5 January 2008 Value £'000	6 January 2007 Value £'000
Total market value of assets	92,916	81,766	69,802	89,300	81,367
Present value of scheme liabilities	(128,774)	(120,155)	(79,146)	(96,141)	(86,367)
Members' share of deficit	14,343	15,356	3,738	2,736	2,000
Franchise adjustment	14,156	16,487	-	-	-
